

IAASA

Irish Auditing & Accounting
Supervisory Authority

Invitation of Expressions of Interest - Statutory Financial Reporting expertise

Having recently been designated as a competent authority for the purposes of Article 24(4)(h) of the EU Transparency Directive by the Minister for Trade & Commerce, the Irish Auditing & Accounting Supervisory Authority ('IAASA') anticipates a requirement to engage the services of suitably qualified and experienced providers of statutory financial reporting expertise from time to time. In that context, IAASA wishes to establish a panel of suitably qualified and experienced individuals and/or firms who would wish to be considered for such engagements.

Further information regarding the nature of the engagements envisaged by IAASA, together with details of the particulars that interested parties are requested to furnish in addition to their expressions of interest, can be obtained on the Authority's website at <http://www.iaasa.ie>.

Expressions of interest should be submitted by 31 August, 2007 at one of the contact points set out below.

Mr. Michael Kavanagh
Head of Financial Reporting Supervision
Irish Auditing & Accounting Supervisory Authority
Willow House, Millennium Park
Naas, Co Kildare
Ireland
