Overview of IAASA

Overview of IAASA

- A brief history
- Goals of IAASA
 - Supervision of the regulatory activities of the Accountancy Bodies;
 - Financial reporting supervision of listed companies
 - promote adherence to high professional standards by accountants, auditors and preparers of financial reports; and
 - to provide specialist advice and support to the Minister for Jobs, Enterprise & Innovation

Structure of IAASA

IAASA's Financial Reporting Supervision Unit

Principal Functions of IAASA's FRSU

- Accounting enforcer for Ireland
- Liaising with other EU countries' accounting enforcers through ESMA
- Co-operating in the development of accounting standards and practice notes
- Assisting the Board to discharge its functions as an advisor to the Minister on accounting related matters

IAASA's accounting enforcement function

- IAASA's role under Article 24(4)(h) of the Transparency Directive
 - *“..to examine that information referred to in this Directive is drawn up in accordance with the relevant reporting framework and take appropriate measures in case of discovered infringements.”*
- Who are the users of the financial statements?

Certain debt issuers are exempt from the requirement to make public half-yearly financial reports for a period of 10 years

Categories of examinations

- Full scope examinations (based on risk assessment criteria)
- Focussed examinations
- Follow-up examinations
- Thematic examinations
- Topical surveys

What a typical full scope review entails

Some statistics

- 872 matters raised with issuers from 2008 to 2014
- 159 issuers (incl. multiple issuers) have amended their financial statements from 2008 to 2014
- 309 undertakings provided from 2011 to 2014
- 43 financial reports (HY or FY) withdrawn and new financial report issued

Some issues arising during 2014 examinations

Examinations undertaken in 2014

Some trends based on 2014 examinations – equity issuers

- Every case is different but some common trends ...
 - Income Statement presentation
 - APMs
 - current –v- non-current classification
 - deferred taxation – recognition of deferred tax assets
 - recognition and measurement of Uncertain Tax Positions
 - impairment assumptions – VIU calculations and disaggregation of disclosures
 - Banks – forbearance measures, DTAs, measurement of impairment provisions
- Thematics for 2014
 - IAS 1 (IS format, exceptional items ,‘operating profit’)
 - IAS 7 – presentation of CFS
 - Updated Alternative Performance Measures (‘APMs’ / ‘KPIs’)

Presentation of Financial Statements – IAASA IAS 1 publication

- Key messages for today
 - The accounting standard allows many choices
 - Income Statement presentation varies widely
 - Users beware!
 - Journalists have a function in this regard
 - Watch out for “exceptional items” and what is included in “operating profit”

Alternative Performance Measures (APMs)

- The most popular
 - EBITDA and other variations of earnings;
 - Operating profit/results of operating activities;
 - Free cash flow;
 - Net debt/gross debt;
 - Adjusted earnings per share ('adjusted EPS');
 - Return on capital employed; and
 - Revenue growth.

APMs – IAASA recommendations

- Explain the reason for each APM
- Clearly define each APM
- Explain the calculation of each APM
- Reconcile each APM to the relevant IFRS-based measure
- Include comparative amounts for each APM
- Disclose all APMs in a single location
- Avoid presenting APMs that detract from or conflict with IFRS based financial statement measures
- Avoid giving undue prominence to non-IFRS based APMs

Some trends based on 2014 examinations– Debt/Fund issuers

- Still many issues with some issuers
- No evidence of any “cross over” lessons learned
- Preparation, re-auditing and re-publication of Debt issuer’s annual financial report
- Engagement with industry associations

Accounting enforcement – the European dimension

- European Securities Markets Authority (ESMA)
 - ESMA Guidelines on enforcement of financial information
 - Submission of accounting enforcement decisions
 - Regular meetings of European accounting enforcers
 - Member of various working groups

Engagement with the IASB

- International Accounting Standards Board
 - Bi-laterals
 - Meetings with IFRS IC via ESMA
 - Examples of issues raised
 - Accounting for UTPs
 - Deferred Tax Assets
 - Operating segments
 - Current –v- non current liability classification
 - Disclosure initiative and materiality
